OFFICE OF PETITIONS

In re Application of	:	
Sam Nemazie	:	DECISION ON PETITION
Application No. 10/775,521	:	UNDER 37 CFR 1.137(f)
Filed: 9 February, 2004	:	
Atty Dkt No. SiliconStor-02US	:	

This is a decision on the petition under 37 CFR 1.137(f),¹ filed on 2 August, 2004, to revive the above-identified application.

The petition is **dismissed**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.137(f)." This is not a final agency decision.

Petitioner states that the present nonprovisional application is the subject of a foreign or international application. However, the U.S. Patent and Trademark Office was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject application in a foreign country.

In view of the above, this application became abandoned pursuant

¹ 37 CFR 1.137(f) provides for revival of a nonprovisional application which became abandoned pursuant to the provisions of 35 U.S.C. § 122(b)(2)(B)(iii) for failure to timely notify the Office of the filing of an application in a foreign country or under a multinational treaty that requires publication of applications eighteen months after filing.

to 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of an application in a foreign country, or under a multilateral international agreement, that requires publication of applications 18 months after filing.

A petition under 37 CFR 1.137(f) must be accompanied by:

- (1) the reply which is met by the notification of such filing in a foreign country or under a multinational treaty;
- (2) the petition fee as set forth in 37 CFR 1.17(m);
and
- (3) a statement that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional.

The petition lacks item (1). The petition fails to provide proper notice of foreign or international filing pursuant to 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) in that the filing date of the subsequently-filed foreign or international application must be provided. Petitioner must provide the date that the foreign or multinational application was filed with any renewed petition.
